Welcome to our Japanese students.

It has been a very busy two weeks, full of great activities. Thanks to everyone involved for making the students feel so welcome.

SWAN REACH AREA SCHOOL
Principal: John Robertson
SWAN REACH & AREA KINDERGARTEN
Director: Jess Schwarz
PRINCIPAL'S REPORT

Hello Swan Reach

After weeks of icy, windy and rainy conditions, it is certainly a pleasure to see and feel some warmer days. As the days become longer and brighter it helps to re-energise our teaching and learning, so let’s make the most of the pleasant conditions.

WEMATTER — PARENTS IN EDUCATION

The next ‘Parent Voice’ session is scheduled for Wednesday, the 24th of August. The aim will be to continue the excellent start from the inaugural meeting by prioritising topics of interest and concern and sharing some useful resources for parents.

CELEBRATING SUCCESS

Congratulations to Mrs Endersby and the year 10 facilitators of last weeks annual Undoukai Sports Day. Thanks to Mr Carter the oval was in top condition and many thanks to our P&F for ensuring we ate well. It was great to have East Murray and Morgan students, staff and parents join us for the fun day.

HOME—SCHOOL COMMUNICATION

Thank you for your continued partnership in sharing important information about your children, especially reasons for absent days. It is also vital to inform the school as soon as possible if there are requests for changes to after school bus, private travel or other care arrangements. This is so we can be sure that your children’s care is actioned with specific details from you and bus drivers can be notified accordingly.

TRAFFIC SPEED

A friendly reminder that the speed limit inside school grounds is 25km/h. It is important to observe this limit as it significantly assists our students and everyone on site to be as safe as possible —Thank you.

Kind regards

John Robertson
Our camp is getting closer so we are doing some last minute organisation as well as more FUNDRAISING!!!

We are planning to have a Pie Drive for our fundraising this term. The pies are from McCues Bakery Murray Bridge. Please find the information in this Newsletter.

We would like to have the order with the money in to the FRONT OFFICE by Week 5 Friday 26/8. The delivery will be Week 7 Friday 9/9.

Also important letters have been sent home regarding the camp. Please take time to look through and fill in the forms and return to the FRONT OFFICE by this Friday.

Primary Sub School
Coordinator
Yuka Endersby
Safety
Please obey the speed restrictions we have in place in and around the school grounds.

Safety

If your children are sick, please keep them home.

Thank you Parents and Friends for your generous support during the Japanese Exchange.

We would also like to thank the staff, students, buddies, host families and local businesses that have helped make our visitors stay so enjoyable.

Without this support this exchange would not be possible.

Mrs Endersby and Mrs Poole
Congratulations to Elise who was recently presented with a cheque for $500 by Kellie Klose, Murraylands SAPSASA District Conveyor to help with the cost of travel and accommodation for her upcoming State Netball Competition to be held in Melbourne. Thank you Kellie and all the best Elise.

THE RETURN OF THE MATHS CONUNDRUM

How many ways can you read ACE off the diagram? You can move horizontally, vertically, or diagonally.

The solution can be found at the back of this Newsletter.

Happy Brain Stretching! Mr. Tun

Remember to turn on notifications. For more information or help contact Mrs Poole or call into the library

We love to hear about what our students are doing outside of school. Please feel free to share any stories, achievements, news or photos by contacting Mrs Poole at school or email your news to sam.poole708@schools.sa.edu.au
**JOB OPPORTUNITY**

Recently advertised lifeguarding positions for the upcoming summer season, which may present a great opportunity. Applicants do have to be 16 years and older, all training is provided, so it’s a great chance to get a qualification, earn some extra cash over summer and/or start to build a career in the sport and recreation industry. Shifts will be offered at the Mannum and Cambrai pools.

All details can be found via this link [https://www.seek.com.au/job/31521934](https://www.seek.com.au/job/31521934)

**Keep your kids smiling**

At the School Dental Service, dental care is FREE for all babies, children not yet at school and most children to age 17.

The School Dental Service is a Child Dental Benefits Schedule provider.

**Call us now for an appointment!**
Your local clinic is: Nuriootpa School Dental Clinic
Phone: 8562 1588

---

Due to our new timetable Mr Tuns Maths Centre will now be held on Tuesdays at lunchtime
On 31\textsuperscript{st} of July our team Black Swan Racing raced in Adelaide at the Victoria park racecourse. We prepared for the race by exercising heaps exercise included riding the bikes and race bikes we also spent time in the gym when we weren’t on the bikes. Before the race I didn’t really want to race because it was too early and really cold but when I got there it was ok. I was the 5\textsuperscript{th} racer I went in the bike after Gemma. Before I raced I had some breakfast which was cooked by Hoffy and Mr Kneebone the food was provided by Carl and Nicole from the Swan Reach general store.

I had raced at Adelaide before so I knew what the track was like. I went in the bike for half an hour and my fastest lap was 2.20. I felt fine in the bike and didn’t have any roll overs which was fortunate. The fastest lap was achieved by Cameron who got 2.03. Cameron started the race and Lachlan finished it. The track was about 2 kilometres long.

Phil did a great job with the bike and did well with organising the race with Mr Marty. We couldn’t race if they didn’t organise it and put time into making sure the day was a success.

The 24 hour race is coming up on the 24\textsuperscript{th} to the 25\textsuperscript{th} of September. We will be spending time on further improving our fitness and making sure we are ready for the race. The fittest people will be chosen for the 24 hour team so we all have to make sure we are up for it.

Thank you to our wonderful staff who were acknowledged at the end of term assembly for their years of service within the Education Department. Also we would like to thank Peter Collins who has been caretaker of the pool for quite a few years and has recently retired from this role. Your work has been greatly appreciated.

We would also like to thank Tony Friebel from the Ridley Lions Club who presented the school with a $500 cheque donated after the WeMatter Launch.

---

Maths Conundrum Solutions - Explained

At each vertex of the diamond, an A yields 1 ACE (that is, you can only get to 1 C from each A in a corner), or a total of 4.

On each side of the diamond, an A yields 2 ACE’s (that is, you can get to 2 C’s from each A on a side), or a total of 8.

Thus ACE can be read off in 12 ways.
