The R-2 class Pancake Fundraiser raised $99 to go towards the Kmart wishing tree.
Thank you to everyone that helped on the day and donated items.
The pancakes were absolutely delicious.
Great work by all the students in supporting such a great cause.
Another year has almost flown by and we find ourselves in the midst of the senior school rush for Year 12 students to finish their coursework; to prepare for exams and to ponder the end of an important and significant part of their lives. Even for those who feel underwhelmed, they are a part of a cohort who are looked up to by all of the year levels that follow. They are the role models and the leaders who pave the way and set the standards.

For all students leaving at the end of the year whether they have their sights set on University, TAFE or maybe a gap year, or heading into other training or employment, the defence force or perhaps travel we extend our best wishes and great expectations for the future.

For next year’s senior students this is a good time to reflect on how you want to shape your future by raising your expectations and enhancing your opportunities with a solid positive attitude towards your life, your friends and family, and your education.

This time as acting Principal has given me a good opportunity to view the school from a different perspective. Sometimes as teachers we can become rather isolated in our classrooms and so busy, that there is little time to stand back and appreciate all of the good things that occur on a daily basis. From the multi-diverse skills and activities of the R/1/2’s and the 3/4s to the ultra creative 5/6 class; the application and learning of our middle school students and the ever increasing independence and responsibility of our senior students to all of their brilliant teachers, SSO’s and support staff with so many rare talents, we are incredibly fortunate.

A visiting parent from another area reminded me how good the impression of Swan Reach Area School is, and how happy and contented the staff and students seem at this school. I thought back to my arrival here in 2011, and realised how strong and lasting that impression is.

Obviously we are not perfect, but we keep trying to get as close as possible.

Peter Jesser
Acting Principal.

Forms for the following events need to be return to the front office to ensure they can happen

- Austdrive safe driving course,
- Ski trip expression of interest
- Swimming pool keyholder training.

**********STUDENT FREE DAY**********
MONDAY 16th NOVEMBER
Year 12 Plans for the future By Casey McNeil

Nicole
Next Year’s Plan
Go to University to do a Bachelor Degree in software development

Ahlia
Next Year’s Plan
Coming back to Swan Reach Area School to do year 13

Abbey
Next Year’s Plan
University studying registered nursing

Karl
Next Year’s Plan
Next year I will be home working on the family farm

Christian
Next Year’s Plan
Join the Australian defence force to become a rifleman

Nathaniel
Next Year’s Plan
Try to find a job perhaps some online courses maybe Tafe or University

Brooklyn
Next Year’s Plan
Save up to be an Au pair in the UK

Hayden
Next Year’s Plan
Hoping to get a job.

Taylor
Next Year’s Plan
Moving to Adelaide to study at University or Tafe

Libby
Next Year’s Plan
To find a job and hopefully travel.
Congratulations Mr and Mrs Robertson

(San and Di)

ICE - The Cold Hard Facts

Monday 30 November 2015
Mannum Leisure Centre - 51 Adelaide Rd
6.30 - 8.30pm (doors open 6pm)
Guest speakers
Panel available for questions

GUEST SPEAKERS:

SIMON BOWEN - Visible Recovery Centre. Apart from a wealth of experience in his own 11 years and 8 months of recovery, Simon Bowen is the founder and Managing Director of the Visible Recovery rehabilitation service. Simon worked in one of the largest drug treatment and alcohol facilities in the UK, with more than 300 beds nationwide. Upon return to Australia in 2011, Simon decided that running his own company in this field would give it the attention and care it truly deserves. Simon is in his own personal recovery from addictions to alcohol and a raft of drugs and is proof that abstinent recovery from addiction is not only possible, but reality.

PROFESSOR ANN ROCHE - NCETA Flinders University. Ann is a Professor and Director of the National Centre for Education and Training on Addiction at Flinders University. She has over 25 years experience in the field of public health and has worked as a researcher, educator, and policy analyst in various public health areas. For the past 25 years her interests and professional activities have focused exclusively on drug and alcohol issues. She has a particular interest in translating research into practice advice, helping others understand research findings and supporting evidence-based practice on the ground.

SERIOUS AND ORGANISED CRIME BRANCH - South Australian Police. In August 2013 South Australia Police (SAPOL) formed the Serious and Organised Crime Branch (SOCB). This branch is a dedicated service playing an active role in the investigation and minimisation of offences relating to illicit drug use. More than 100 devoted officers are available to tackle serious criminal offending, from violent home invasions to drug trafficking and serious outlaw motorcycle gang related offending. Operations have already resulted in significant drug seizures, and arrests. It is considered that the introduction of SOCB has led to better sharing of information and intelligence, and a more coordinated and responsive approach to drug related offences.
Nildottie Tennis Club
General meeting
Wednesday 4th November
7pm

**Maths Conundrum Solutions - Explained**

Rotate region I about point D (see figure 2) until it falls in place as shown in figure 3.

\[
\text{Area } I + \text{Area } II = \text{Area square ADEF} = 100 \text{ cm}^2.
\]
