

Swan Reach AREA SCHOOL

Site Improvement Plan 2017 – 2019

Purpose

To provide quality teaching and learning experiences

Vision

Developing learners with integrity, resilience, confidence and respect. Actively pursuing life-long learning skills, enabling them to be successful thinkers and collaborative contributors.

Our Values

Respect, Success, Care, Participation, Integrity

Priorities

Literacy Numeracy Wellbeing

Literacy Priority

- Teachers consistently design and deliver learning experiences that raise the Reading and Comprehension abilities with an emphasis on using QAR strategy to improve inferential understandings
- Students improve reading achievement, growth and retention in upper NAPLAN bands and PAT-R scale scores

Numeracy Priority

- Teachers immerse students in understanding Mathematical vocabulary and language
- Students understand and apply a range of problem solving strategies
- Improve numeracy achievement, growth and retention in upper NAPLAN bands and PAT-M scale scores

Wellbeing Priority

- High teacher expectation and teaching pedagogy that engages students to be intellectually stretched and develop a positive mindset towards learning
- Students apply 'positive habits of the mind' thinking regularly to develop greater resilience
