School name change

7th August 2017

Dear Parents /Carers,

The Governing Council is seeking your feedback in regard to making a minor change to our school name. The council's proposal is to change our official name from Swan Reach Area School to **Swan Reach Area School B-12**. The B stands for Birth and the 12, year 12.

The reason for the change stems from our recent amalgamation and is inclusive of the fact that the school now provides the **Kindy service** along with **Playgroup, Occasional Care and Parent Mother Goose sessions**.

Thank you for ticking the yes or no box on the survey below and returning it to the front office. The survey will close Friday 17th August.

Kind regards

Bradley Eggers
Governing Council Chair
