Goal

Foster students' ability to reflect on and extend their thinking to become **Effective Learners** who engage in **Meaning Making** across all learning experiences.

By promoting visible thinking strategies, reflective dialogue, and collaborative exploration, students in primary and secondary settings will develop the skills to engage meaningfully with their learning, fostering critical and creative thinking for lifelong success.

Effective Learners who Make Meaning at SRAS:

Connect ideas and draw conclusions.

Deepen their understanding of things they care about.

Convey concepts in a way that others understand.

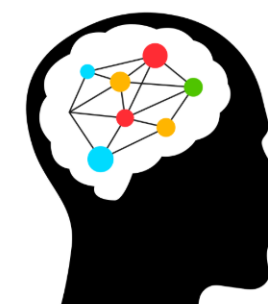

Draw on their and others' experience to develop new knowledge and understanding.

Express and build on their and others' opinions and ideas.

Connect new information with what they already Know.

Can explain the why, what and how of learning.
